### SURPRISE RULE

It seems like there is a plant-lice infestation at collection point 2. Ladybugs love to eat plant-lice so take any one of the ladybugs on the game field to collection point 2. To get the points the ladybug has to be in a standing position with its base completely inside the collection point 2 area. Of course points for removing the ladybug from the green path still applies for the ladybug delivered to collection point 2. Remember, that the surprise rule is considered a bonus point, therefore you can only get points for it if you achieve any other base challenge points.

**Surprise rule points awarded: 25 points**
