

WRO 2022 FRIENDSHIP INVITATIONAL

SENIOR AGE GROUP

SURPRISE RULE

The receptionist of the hospital has quite a busy day and seems to be really thirsty. You should make sure she is well hydrated so your job is to take a bottle of water for her. Points are awarded if the bottle at least touches the receptionist desk (does not have to be completely on it) and the bottle is in a standing up position. Remember, that the surprise rule is considered a bonus point, therefore you can only get points for it if you achieve any other base challenge points.

Surprise rule points awarded: 25 points
